Please click the link and read the Form Instructions before submitting this form: http://grad.uga.edu/index.php/current-students/forms/form-instruction/

All graduate programs require a minimum of 30 graduate credit hours. Under "Course Information" on this form, list all graduate level courses that have been taken or will be taken to complete degree requirements for the degree. Students should work with the department to complete this form to make sure the student has listed all degree requirements. Doctoral students typically do not submit this form until the student is preparing to take written and oral comps. All other students are not required to submit the form until the deadlines posted on the Graduate School website for the semester in which the student plans to graduate: http://grad.uga.edu/index.php/current-students/important-dates-deadlines/.

The following courses cannot be listed under course information: GRSC 7770, GRSC 9270, LLED 7768/7769, or 7005/9005. You can list these courses under Departmental Requirements or Research Skills Requirement.
